Hemerocallis	Daylily-Stella de Oro/Happy Returns		
Heuchera	Coral Bells		
Hibiscus mos.	Rose Mallow		
J. humile	Yellow Jasmine		
Lavandula -H	Lavender		
Liatris	Gayfeather		
Lonicera	Honeysuckle		
Mirabilis			

Perennials generally bloom for a period of 2-4 weeks at a specific time during the growing season. It is important when planning a garden to select a variety of perennials with different bloom times. The plants on this list are perennials which have an extended bloom time. Remember that deadheading and cutting back the plant will extend the bloom time of many perennials.

H - denotes plants located in the Herb house.
